

*Art Workshops at Villa Madonna
with Sue Hooper*

Turn your art day into a mini retreat with an overnight stay for an extra \$85!

Friday, July 6th 10:00 a.m. - 4:30 p.m. \$95

A DAY OF DRAWING

This course is designed for beginning and intermediate students interested in developing strong drawing skills. Learning to draw is “learning to see” differently so participants will warm up with some right brain exercises in contour drawing and weather permitting go out for nature studies. We will do studies from still life working with line, shape and texture using graphite pencil and charcoal. Students work from dark to light studying composition and value. Includes materials, homemade lunch and snacks.
